MORE NATURAL...

Ikos Kissamos is where 53 acres of lush gardens and golden beaches set the scene for a truly tranquil escape. The unique, immersive landscape experience combines coastal dunes, ancient Minoan patterns and the soothing sounds of the sea, creating spaces that feel truly peaceful, and distinctly local. With the Sensory Garden, the Ikos World of Insects, and stunning natural vistas, nature becomes a space to relax, play and discover.

MORE FLAVOURFUL...

Guests will embark on a culinary journey across six exceptional à la carte restaurants, offering menus curated by world-renowned Michelin-starred chefs. From modern Greek cuisine to Mediterranean favourites and international flair, every dish is a celebration of taste. The brand new Kriti restaurant brings authentic Cretan flavours, led by Michelin-starred Chef Ettore Botrini. In addition, The Market brings a vibrant, relaxed à la minute experience, ideal for casual dining at any time of day, while Ikos Food Trucks add an extra flair to poolside dining.
